NOTES

This edition of the Army National Guard Register is an alphabetical listing of all officers and warrant officers, active and inactive, of the National Guard of the United States, as of 1 January 1954.

The information contained herein has been compiled from the data submitted by each individual in his application for Federal recognition, and claims of prior service have been verified from the appropriate office of record in the Armed Forces of the United States and the offices of the Adjutants General of the several States, Hawaii, Alaska, Puerto Rico, and the District of Columbia.

The individual data is presented in two parts, set up as separate paragraphs. The first part shows certain essentials of biographical data deemed to be useful to authorities responsible for making military assignments. It contains educational attainments in those colleges and universities listed as accredited by the U. S. Office of Education and in all Army and Air Force service schools of more than the briefest duration. Military decorations bestowed by the United States, from the Purple Heart upwards to include the Medal of Honor (par. 2, AR 600-45) are indicated. The last item in this first part shows the grade and date of assignment to the NGUS, and the service number.

The second part consists of a detailed statement of all service which is creditable for increase in pay for length of service, as provided in AR 35-1110. In this second part, enlisted or commissioned service in a Federally recognized status in the National Guard is shown without being inclosed in parentheses, unless the service was rendered in the National Guard of a State other than the one in which currently appointed. In the latter case the service is inclosed in parentheses with the proper State indicated. Service in the ERC, ORC, USNR, etc., is shown in parentheses, with the active and inactive duty periods indicated. (This should not be confused with active or inactive *status* in a Reserve component, which is not shown in the Register.) Those portions of Federally recognized enlisted or commissioned service which were performed on active duty under call or order of the President are also inclosed in parentheses, preceded by the letter "F". Enlisted service in the RA is inclosed in parentheses, also preceded by the letter "F". In the case of those individuals currently serving on active duty the parentheses are not closed.

Active duty for training, under the provisions of Sections 94, 97, and 99, National Defense Act, is not shown, but this service is of record in the files of the National Guard Bureau and is available for support of retirement claims upon request from the several offices in the Departments of the Armed Forces which consider retirement applications.

The military terms, abbreviations, and symbols used herein are generally in conformity with SR 320-50-1, 23 November 1953.

Errors and discrepancies should be reported by individual officers through channels to the Chief, National Guard Bureau, Attention ARPR, *accompanied by certified copies of supporting evidence.*
